Group Term Life Insurance Plan

FOR NSBA MEMBERS AND THEIR FAMILIES

LIFE INSURANCE PROVIDES SECURITY FOR FAMILIES

The last thing you want your family to have to worry about, at a time when they have so much on their minds, is where they will turn for financial security. Group Term Life Insurance is an economical way to help make sure they are provided for.

WHO CAN APPLY FOR UP TO \$500,000 OF COVERAGE?

All members in good standing and their spouses/domestic partners under age 60 may apply. In addition, unmarried, dependent children typically ages 6 months to 19 years (19 to 23 if a full-time student) are eligible for \$5,000 of coverage. Children ages 15 days to 6 months may be insured for \$1,000 each. (Subject to state variation.) You and your spouse/domestic partner, if applying, must be actively at work on the date insurance is to take effect. If not, such insurance will take effect on the day you resume such work.

Dependent children must not be hospitalized on the date insurance is to take effect. If so, insurance will take effect on the day after discharge.

KEY PLAN FEATURES

Continuation of Insurance Without Premium Payment During Disability

If you or your spouse/domestic partner become totally disabled, as defined by the group policy, before age 60 and the disability continues for at least six months with no interruption, your Group Term Life Insurance may continue without premium payment. Continuation of insurance will end on the date total disability ends, proof of total disability is not given by you when due, you are not examined when required, or you attain age 60.

YOU SELECT YOUR BENEFICIARY

You may name anyone as your beneficiary. You may change your beneficiary (unless irrevocable) by contacting the Insurance Administrator in writing.

ACCELERATED BENEFITS

If you and/or your spouse are diagnosed with a terminal illness (which is defined as a medical condition which is expected to result in the insured's death within 6 months and from which the person is not expected to recover), the Accelerated Benefits rider allows you to elect to receive up to 60% of your Life Insurance, not to exceed \$250,000 (less discount), prior to death.

The remaining benefit then becomes payable to your beneficiary after your death. Accelerated death benefits are not payable if the insured person has made an absolute assignment of his life insurance under the group policy, all or part of the insured person's life insurance under the group is to be paid to his child(ren) or former spouse as part of a court approved divorce agreement, is not received with written consent by any irrevocable beneficiary, or if the terminal illness is a result of intentional self-inflicted injury or attempted suicide. Receipt of Accelerated Benefits may be taxable. Consult your personal tax advisor for specific details.

There is a 180-day waiting period that begins on the date your insurance goes into effect. Note: the minimum Accelerated Benefit is \$10,000, less the discount. After age 70, coverage does not include the Accelerated Benefit.

There is no additional premium charged for the Accelerated Benefit.

CONVERSION RIGHTS

If your insurance ends for a reason other than non-payment of premium, you may buy an individual life insurance policy from United States Life during the conversion period without providing evidence of insurability. The amount of the new policy may be limited depending on the reason your insurance ends.

ECONOMICAL PREMIUMS

Receive Volume Discount Premium Rates when you apply for \$250,000 or more of coverage. There are also discounted rates for non-smokers.

HOW TO APPLY:

1. Complete, sign and date the enclosed application.
2. Remember to select your payment option. If you select Automatic Monthly Check Withdrawal, please include a blank voided check and a check for your first monthly premium. If you select Semi-Annual Direct Bill, just include a check for your first semi-annual premium.

EXCLUSIONS AND TERMINATIONS

The only exclusion is suicide within the first two years of coverage. If a person commits suicide within 2 years from the date his insurance takes effect, the insurance company's liability will be limited to the premiums paid, plus interest. If a person's age, sex or any other data is misstated, the correct data will be used to determine if insurance is in force. If insurance is in force, the premium and/or benefits will be adjusted according to the facts. Your coverage will end if you fail to pay your premiums when due, the Group Policy is terminated, you reach age 80, or insurance ends for your class.

COMPUTING YOUR PREMIUM IF PAYING THROUGH AUTOMATIC MONTHLY CHECK WITHDRAWAL: Find the appropriate monthly rate above based on the amount of coverage you are applying for, your sex, age, and smoker/non-smoker status. Multiply that rate by the number of \$10,000 units you are applying for. **EXAMPLE:** Let's say you are a 35-year-old male non-smoker and wish to apply for \$200,000. Take \$1.04 x 20 units (\$200,00 divided by \$10,000 unit) = \$20.80. This is your monthly premium.

COMPUTING YOUR PREMIUM IF PAYING THROUGH SEMI-ANNUAL DIRECT BILL: Follow the same steps described above, then multiply the total monthly premium by 6. **EXAMPLE:** Take \$20.80 (the total monthly premium figured above) x 6 = \$124.80.

If applicable, an additional \$2 billing fee will be included on your billing notice payable to the administrator. To save the fee, select Electronic Funds Transfer (EFT) as a safe and secure payment option.
