Group 10-Year Level Term Life Insurance Plan

For Professional Golfers' Association of America Members and Their Families

Underwritten by New York Life Insurance Company

PREMIUMS AND BENEFIT OPTIONS REMAIN LEVEL FOR 10 YEARS – GUARANTEED!

Term coverage is the purest kind of life insurance, with no costly savings features. Here is term life insurance you can depend on, for premiums that will not go up for a full ten years and benefit options that will never go down. You can renew coverage up to age 75, subject to all termination of coverage provisions. Available to PGA members and spouses under age 65, the Group 10-Year Level Term Life Plan helps you protect your family from the unnecessary financial burdens of your or your spouse's premature death. Your renewal is guaranteed until age 75, provided you pay premiums when due, and the group policy remains in force.

You can select a coverage amount to help meet your needs, from \$50,000 up to \$500,000 (in \$50,000 units). The Plan features three levels of premium rates, "Preferred", "Select" and "Standard". Assignment of rating level is based on smoking status, gender, and health history for each individual. You can benefit from volume discounts when you purchase higher amounts of insurance. Plus, send no money until you are approved.

ELIGIBILITY

All PGA members and apprentices under age 65, residing in the United States (except territories) and Puerto Rico may request coverage for themselves, their lawful spouse under age 65 and all unmarried dependent children ages 14 days through 18 years (22 if a full-time student). In order to become insured, individuals must provide satisfactory evidence of insurability and the required premium must be paid.

A dependent who is also an insured member is eligible for either member or dependent coverage, but not both. If both the member and spouse are covered as members, neither may insure the other as spouse and only one may insure any eligible children.

Employees of PGA Members Are Eligible Too!

Your FULL-TIME employees who are under age 65 and have been employed for a minimum of 30 consecutive days may apply for coverage for themselves and their eligible dependents and subject to the same conditions which apply for members and apprentices.

FULL-TIME means actively performing the regular duties of your normal occupation, at least 30 hours per week, at the place such duties are normally performed or other location to which travel is required.

APPLY FOR UP TO \$500,000 OF COVERAGE

Choose the amount of Group 10-Year Level Term Life Insurance you need to help protect you and your family – without the worry of premiums that could go up for the next ten years or benefits that could ever go down.

Amounts Of Insurance:

Applicants—\$50,000 to \$500,000 in \$50,000 multiples.

Spouse—\$50,000 to \$500,000 in \$50,000 multiples, not to exceed 100% of member's coverage.

Child(ren)—\$2,500 to \$10,000 in \$2,500 increments.

The total amount of coverage an individual may have under all group life insurance plans underwritten by New York Life Insurance Company may not exceed \$2,000,000. The total amount of coverage for a member or spouse insured by more than one group policy issued to the Trustee of the PGA Insurance Trust may not exceed the maximum benefit option for any insured person. In addition, a child may not be insured for more than one child benefit option under all policies issued by New York Life Insurance Company to the Trustee of the PGA Insurance Trust.

PLAN FEATURES

Pay Less If You're a Qualified Non-Smoker

Non-smokers meeting the highest underwriting standards may qualify for "Preferred" (the Plan's best) rates. Other nonsmokers may qualify for "Select" (higher, but still very competitive) or "Standard" (the Plan's highest) rates. Smokers would qualify for "Standard" rates only.

Save More on Higher Amounts of Insurance

If you or your spouse becomes insured for coverage amounts of greater than \$100,000 but less than \$250,000 you'll receive a volume discount; and for amounts of \$250,000 through \$500,000 you'll receive an even bigger discount.

Continuing Insurance After the 10-Year Term Ends

Premiums are guaranteed to remain level for the first ten years of coverage. At the end of the 10-year period, you may elect to reapply for 10-year level term rates then in effect for a subsequent 10-year period, provided the insured person is under age 65 and is otherwise eligible. If your application for a subsequent 10-year term of guaranteed rates is approved, your premium contribution will be based on the insured person's age, health and tobacco/nicotine use at the time coverage becomes effective and will be guaranteed for a new 10-year term.

If you and your spouse are not approved for a subsequent 10-year term of guaranteed rates, or you do not apply for a subsequent 10-year term, coverage will continue in force on a non-guaranteed rate basis, under which premium contributions increase as the insured ages.

Help Keep Your Cost Manageable

Rates have been provided on an annual basis per \$1,000 of coverage to make it easier for you to compare this Plan to other insurance plans on the market today. Two modes of payment are available to suit your budget: semiannual billing; and our semiannual or monthly Electronic Funds Transfer (EFT) option (your cost would be approximately one-half or one-twelfth, respectively, of your annual premium contribution due for each approved individual.)

OTHER IMPORTANT INFORMATION

Valuable Living Benefit Provision "Accelerated Death Benefit"

The "Accelerated Death Benefit" option is available to help terminally ill insureds during a difficult and often financially challenging time. Under this provision you may request one advance payment equal to 50% of your (or an insured dependent's) in force life insurance to be paid while the terminally ill person is still alive. The request must be made at least 12 months prior to the insured person's scheduled coverage termination age and the amount of insurance payable after the insured's death will be reduced by this payment. (Premium contributions will not be reduced.)

This money can be used to help cover high prescription drug costs...medical bills...outstanding debts...to help pay for experimental treatments...the cost of modifications to your home...or for a family vacation – the choice is yours.

To qualify, a terminally ill insured must provide New York Life Insurance Company with proof of terminal illness and anticipated life expectancy (12 months or less), as well as any other necessary medical information requested. For additional details and limitations, please see the Certificate of Insurance.

Please note that receipt of Accelerated Death Benefits may affect your eligibility for public assistance programs and may be taxable. Prior to applying to receive such benefits, you should consult with the appropriate social services agency and seek the advice of a qualified tax advisor.

Note: The Accelerated Death Benefit is not available to residents of Massachusetts.

Exclusions

Benefits will not be paid for death resulting from suicide within the first two years if New York Life Insurance Company can show that suicide was intended at the time of application. The validity of any amount of your life insurance which has been in force for two years during an insured's lifetime will not be contested except for insurance eligibility provisions and nonpayment of premium contributions.

You Name Your Beneficiary

You may select any person, persons, trust or other legal entity as your beneficiary. If, at the time of your death, there are no surviving beneficiaries, benefits will be paid to the executor or administrator of your estate, or at the option of New York Life, to the surviving relatives in the following order of survival: spouse; children equally; parents equally; or brothers and sisters equally.

Ownership of Insurance

"Owner" means the person or entity with rights of ownership of this insurance as described in the Certificate of Insurance. If a transfer of ownership has been recorded by or on behalf of New York Life Insurance Company, or if initial ownership is by other than the member according to the information provided on the application, references throughout this Plan Information to "you" or "member" will mean "owner," as applicable.

Effective Date

Note: Residents of NC: Any reference to "performing normal activities of a person in good health" is replaced by the requirement that the health status of any proposed insured remain the same as stated in your application.

Insurance will take effect on the date your application is approved by New York Life Insurance Company provided the initial contribution is paid within 31 days after the date you are billed (Send No Money Now) and any person to be insured is actively performing the normal activities of a person in good health of like age on the date of approval.

Any person who is not performing his/her normal activities as required will not become insured until the day he/she is performing such activities, provided such date is within three months of the date insurance would have been effective and the person is still eligible.

When Coverage Ends

Coverage will end when the insured person reaches age 75 (19 for children, or 23 for children who are full-time students) or earlier if: (a) premium contributions are not paid when due, (b) the group plan is terminated or modified by the Policyholder to end insurance for the group of insureds to which the member belongs, and (c) if the insured requests to terminate insurance. In addition, dependent child coverage will terminate when the child ceases to be an eligible dependent.

Renewal Payments And Claims

Once you are accepted into the Plan, you will have a 31-day grace period for your payment of renewal premium contributions. When you want to submit a claim, call or write the Administrator for claim forms.

Certificate Of Insurance

This information is only a brief description of the principal provisions and features of the Plan. The complete terms and conditions are set forth in the group policy issued by New York Life Insurance Company to Trustee of the Professional Golfers' Association of America Insurance Trust.

When you become insured, you will be sent a Certificate of Insurance summarizing your benefits under the Plan.
