Group Disability Income Insurance Plan

DEVELOPED FOR YOUR ASSOCIATION

THIS PLAN HELPS PROVIDE AN INCOME WHEN YOU CAN'T WORK

If a covered disabling sickness or injury suddenly took away your ability to work and as a result also took away your ability to earn a paycheck . . . how would you continue to afford the living expenses you must now pay? With the Group Disability Income Plan sponsored by your association, a portion of your income would continue in the form of a monthly benefit that you select. Don't let a disability rob you of your income. Rely on the protection provided by the Group Disability Income Plan.

WHO CAN APPLY

All Actively-at-Work (at least 25 hours per week) members and/or spouses/domestic partners under age 60 may apply for this coverage.

This coverage is available only for residents of the United States excluding CO, ID, MD, MT, NM, NY, OR, SC, SD TX, VT and WV.

HOW THIS PLAN WORKS

You select either **PLAN I** (which pays after a 60-day Waiting Period, to a maximum of five years if you are Totally Disabled due to a covered Injury and to a maximum of one year if you are Totally Disabled due to a covered Sickness), or **PLAN II** (which pays up to age 65 if you are Totally Disabled due to a covered Injury or Sickness). Under Plan II, you have a choice of a 60, 90 or 180-day Waiting Period for benefits to begin. For Plan I: If Total Disability occurs at or after age 64, benefits are paid for a maximum of 1 year. For Plan II: If Total Disability occurs at or after age 63, benefits are paid to a maximum of 2 years.

YOU CAN SELECT FROM \$600 TO \$6,000 IN MONTHLY BENEFITS

You select the monthly benefit you wish to receive ranging from \$600 to \$4,000 (\$6,000 Plan II) per month (in \$100 increments). For Plan I, the Monthly Benefit you select should not exceed 70% of your Basic Monthly Pay. For Plan II, your Monthly Benefit should not exceed 60% of your Basic Monthly Pay. For Plan II, your actual monthly benefit amount at claim will be the lesser of: a) the benefit amount you selected, or b) 65% of your basic monthly pay less any Other Income Benefits you may receive.

This example is for purposes of illustrating the effect of the benefit reductions and is not intended to reflect the situation of a particular claimant under the policy:

Insured's Basic Monthly Pay	\$3,000.00
Disability benefits percentage	x 60%
Unreduced maximum benefit	\$1,800.00
Less any Social Security disability benefit per month	-\$900.00
Less any State Disability benefit per month	-\$300.00
Total amount of disability benefit per month	\$600.00

IMPORTANT PLAN FEATURES

Managed Disability Approach

The Managed Disability approach encourages a healthy lifestyle through prevention and wellness programs. When an individual becomes disabled, they are helped with rehabilitation and motivation to return to work as soon as reasonably possible.

Rehabilitative Employment Benefit

A vocational rehabilitation program is available with staff nurses and specially trained counselors. Each individual rehabilitation program is custom tailored to each claimant's needs. Our counselors use skills assessment, job and transferable skills analysis, job modification, vocational testing, job placement assistance and retraining.

Successive and Concurrent Disabilities Limitation

The insured member will receive their selected benefit for disabilities, which are recurrent in nature. Successive periods of the same or related disabilities are payable as new benefit periods (eligible for new maximum durations) when separated by six consecutive months of full-time active employment. Periods of disability, if due to the same or related medical causes and separated by fewer than six months while you are Actively-at-Work, are considered a single period of disability. Periods of disability from entirely unrelated causes are considered separate periods of disability.

Benefits during any Period of Disability as the result of: more than one Sickness; or more than one Injury; or both Sickness and Injury; will be considered the same as if the Disability resulted from only one cause.

EFFECTIVE DATE

Your insurance will become effective on the first of the month following the date of approval of your application, provided the required premiums are paid. If you are to become covered under the Policy; or covered for increased benefits under the Policy and you are not Actively-at-Work on the date your coverage is to become effective, you will not be covered until the first day of the month on or next following the date you are Actively-at-Work. Acceptance into this plan is subject to medical evidence of insurability as determined by The Hartford¹. Depending on your age, the amount of coverage you request, and your answers on the application, a medical examination, medical test(s), or other evidence of good health may be required. Any exams/tests requested by the company will be conducted at your convenience and at no expense to you.

SATISFACTION GUARANTEED

When you receive your Certificate of Insurance, review it carefully. If you are not completely satisfied with the terms of your coverage, simply return your Certificate within 30 days and any premiums that have been paid will be promptly refunded in full, minus any claims paid.

IMPORTANT DEFINITIONS

Total Disability

You'll receive own-occupation protection for 2 years, which means you qualify for benefits if you cannot perform the substantial and material duties of your own regular occupation. Thereafter, the definition of Total Disability is the continuous inability to perform any and every occupation for which you are reasonably suited in terms of education, training or experience. However, for Plan II, if the Insured Person is Totally Disabled due to mental or nervous disorders, alcoholism or drug abuse, the maximum payment period will be reduced to 2 years during his or her lifetime unless he or she is confined in a hospital or other institution licensed to provide care and treatment for that disability.

Partial Disability

A Partial Disability is a disability that (1) immediately follows a period of Total Disability; and (2) prevents the insured from engaging in active employment for more than four hours per day. Benefits equal to 50% of the member's monthly disability benefit will be paid for Partial Disability for up to a maximum of six months or as long as Partial Disability exists or until the maximum period for the disability is exhausted, whichever occurs first.

Basic Monthly Pay

- a.) If self-employed, Your net income after the deduction of business expenses for the Calendar Year immediately preceding the Total Disability, or
- b.) If not self-employed, Your average monthly pay or rate of pay (not counting dividends or overtime payment) for the 12 months immediately preceding the Total Disability.

Other Income Benefits (Plan II only)

The actual benefit you receive at the time of your claim may be different, depending upon your income, offsets for Other Income Benefits and other variables. Other Income Benefits means the amount of any benefit for loss of income that you or your family receive or are eligible to receive from Social Security Disability Income or similar plans; Worker's Compensation or occupational disease laws or similar laws; group, association, union or other organizational coverage; employer-related individual policies; governmental laws or programs that provide disability or unemployment benefits as a result of your job with any employer; disability coverage under any employer's retirement plan; damages or settlements for income loss; and no-fault automobile insurance plans.

Other Income Benefits also include retirement benefits from retirement plans that are wholly or partially funded by employer contributions, unless you were receiving them prior to becoming disabled or you immediately transfer the payments to

another plan qualified by the U.S. Internal Revenue Service for the funding of a future retirement.

Finally, Other Income Benefits include retirement benefits you or your family receives from Social Security or similar plans, unless you were receiving them prior to becoming disabled.

CONVENIENT PAYMENT OPTIONS

You are able to choose between two premium payment options, whichever one best suits your needs:

Option 1: Automatic Monthly Check Withdrawal. Your premium will be automatically deducted from your checking account on a monthly basis. This not only saves you time, but you don't have to worry about missing a payment.

Option 2: Semi-Annual Direct Bill.

TERMS OF COVERAGE

Exclusions and Limitations

This Policy does not cover: intentionally self-inflicted Injury, suicide or attempted suicide, while sane or insane; pregnancy or childbirth except for Complications of Pregnancy; any Sickness contracted or Injury sustained as the result of war or act of war, whether declared or not; any Injury sustained while riding on, boarding, or alighting from, any aircraft: as a pilot, crew member or student pilot; operated by any military authority (land, sea or air), unless it is a Military Transport Aircraft used for transport and operated by the United States Military Air Mobility Command (AMC) or an AMC type service of a national government recognized by the United States; or being used for tests, experimental purposes, stunt flying, racing or endurance tests.

Pre-Existing Conditions Limitation

During the first 12 months of coverage, losses incurred for Pre-Existing Conditions are not covered.

Pre-Existing Condition means any Injury or Sickness including pregnancy, diagnosed or undiagnosed, for which you have received medical care within the 12-month period prior to your coverage effective date or the date of an increase in coverage. During that time, benefits for all other accidents or illnesses will be paid under the policy provisions. You are urged to consider this limitation before dropping any coverage you may have until the waiting period is over.

Termination of Coverage

Coverage continues as long as: you remain an association member; you pay your premiums on time; you remain Actively-at-Work (except by reason of disability covered by this plan); the Master Policy is in effect; and, you remain under 65 (*Plan I*) or under 70 (*Plan II*). Your spouse/domestic partner's coverage will remain in effect as long as your coverage is active, premiums are paid, and they meet the eligibility requirements.

Waiver of Premium (Plan II only)

If you become Totally Disabled before age 60, and the disability continues and for more than 6 consecutive months, you won't have to pay your premiums for as long as the disability lasts and benefits are payable.

If applicable, an additional \$2 billing fee will be included on your billing notice payable to the administrator. To save the fee, select Electronic Funds Transfer (EFT) as a safe and secure payment option.
